Ready, Set, Go.
Functional Modular Customizable

RSG is modular gear.

Functional, modular gear allows you to customize your equipment and take what you want on your adventure and nothing you don't.

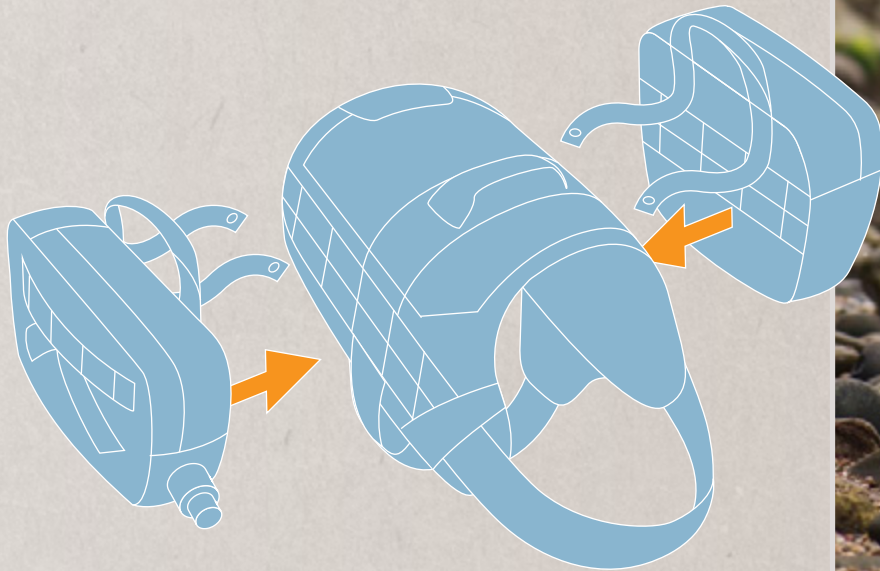

How does it work?

It's as easy as 1,2,3. Choose your harness, pick your attachments, and you're ready to go.

Built on the MOLLE system, RSG is a rugged custom-carry solution developed by the US Military. MOLLE is an acronym for Modular Lightweight Load-carrying Equipment. Rows of heavy-duty nylon webbing are stitched on our RSG gear, allowing you to securely attach any MOLLE compatible pouches or gear for your next adventure.

The diagram below shows how accessories attach to an RSG Harness using the simple MOLLE Compatible nylon webbing and straps.

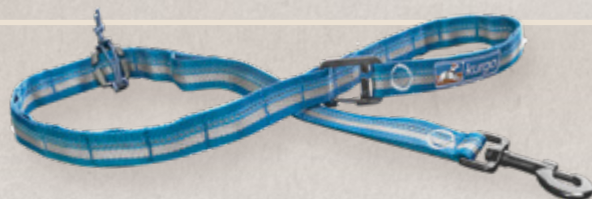

Townie Harness

The RSG Townie Harness's lightweight, single buckle design is made for comfort and ease of use. It features a top control handle for times when your dog needs a little extra assistance on the trail. Add accessories like the RSG Hydration Flask, 1st Aid Kit, or Pack Pannier to create a custom pack.

- Design widely used by K9 athletes and service dogs
- 400D Ripstop outer
- Back leash attachment
- Single belly strap

Stub Leash

The RSG Stub Leash's ladder style design is fully adjustable from any length between, 56" and 48." It's threaded with a reflective strip for nighttime visibility and features a training handle for quick grabs.

● **Coastal Blue** K01962

RSG Collar

The RSG Collar is designed with wide, comfortable webbing to reduce strain on the neck and remain flexible enough to allow free movement. Its wrap system allows for a near-custom fit.

● **Coastal Blue** S: K01959, M: K01960, L: K01961

MOLLE Light

The MOLLE LED light is a must-have. The red light makes your dog visible to oncoming traffic or people. It's removable, so feel free to swap it onto any 1" leash, collar, harness, or pack before you head out.

● **Dark Charcoal** PAC30-17191

Active Utility Belt

The RSG Active Utility Belt is a quick, easy, hands-free, solution that allows you to pack as much- or as little - as you need. The waist is adjustable from 28"-45". The MOLLE compatible design allows you to attach any number of accessories to the activity belt such as the RSG Hydration Flask, 1st Aid Kit, YORM Bag or Pack Pannier. Integrated leash hook allows you to enjoy your adventure hands free.

- Adjustable fit: 28" - 45"
- Reflective trim
- Lightweight mesh padding for comfort

● Coastal Blue K01963
