DOG TREAT GAMES & PUZZLES

EXERCISE YOUR DOG'S MIND & ELIMINATE BOREDOM

IT'S FUN. IT FEEDS. IT'S A CHALLENGE YOUR DOG NEEDS.

Invented by Nina Ottosson in Sweden, Treat Puzzle Games fight boredom, help reduce destructive behaviors & exercise your dog's mind. It's hide & seek with treats, and dogs love it.

I created the puzzle toy category more than 25 years ago because I needed a way to keep my pets active indoors. I couldn't imagine then how many dogs & pet parents our toys would help.

I continue to be inspired by the success stories of pets who have become happier, healthier & better behaved by using my products.

I hope you will have as much fun playing with these games as I've had making them.

All the best,

Nina
