

the **Doggy Baggs**

By Pet-Joy Products

*Luxury bench mats, wool blankets,
dog pillows and dog baskets*

“At Pet-Joy we strive to ensure that our pets benefit from the same level of luxury and a joyful lifestyle that we enjoy ourselves.”

After the launch of the Doggy Baggs, the brand soon became a leading dog bed brand in Europe. Since then, the range has been expanded with other dog beds that offer the same level of comfort as the Original Doggy Bag, such as bench mats, wool blankets, dog pillows and baskets. The beds are loved by dog owners, breeders, vets and kennel clubs.

Only the best quality

When we create our products, we focus on the following principles:

- Hygiene: the lining must be waterproof, hairs must not penetrate the pillow, stains should be easy-to-remove, and the filling must offer protection against mites
- Comfortable: a granular filling and the form of the pillow makes the DoggyBag comfortable
- Long lifespan: The material must be stronger than that of regular pillows

The DoggyBagg Strong

- Available in size M & L (Strong)
- Available in the colors Black, Dark Green, Light Grey (Strong)
- Suitable for indoor and outdoor use
- Outer lining is made of a polyester and nylon mix

the Doggy Fresh

By Pet-Joy Products

Natural products tailored to the different skin and hair types of dogs

The DoggyFresh is a line of shampoos and conditioners, tailored to the different skin and hair types of dogs. From short-haired dogs with normal skin, to dogs with oily skin, flakes, itching, dryness and dullness, DoggyFresh has the right product. Due to a sophisticated combination of minerals, plant extracts, vitamins and nourishing oils, every dog can get the caring grooming that he/she needs. To achieve the optimal result, DoggyFresh Shampoo is complemented by Doggy Fresh Conditioner for soft, easy to comb, hair. DoggyFresh Conditioner feeds the natural structure of the fur. The pH-value of DoggyFresh products is customized to the various fur types, and does not affect the natural fat layer of the skin.

Daily Wash 200ml

- Luxury, caring shampoo, suitable for daily use
- Supports the natural fat layer of pets
- Suitable for healthy short-, long- and medium coat
- Contains coconut nutrients and special plant extracts
- The pH-value is tailored to the pet's coat
- Using DoggyFresh Daily Conditioner after the use of DoggyFresh Daily Wash makes the fur less sensitive to tangles and easier to comb

Article number: DFDW200

Daily Conditioner 200ml

- Nourising conditioner that supports and feeds the natural coat structure
- The pH-value is tailored to the pet's coat
Does not affect the natural fat layer
- Suitable for all coat lengths
- Prevents tangles
- Makes the coat easier to comb
- Provides a deep shine and gives volume to the coat

Article number: DFEDC200

Sensitive & Repair Shampoo 200ml

- Suitable for pets suffering from flaking or itching skin, or a dry or dull coat
- A balanced combination of minerals, plant extracts (a.o. coconut), vitamins and nourishing oils ensure a caring and softening effect on skin and coat.
- This shampoo is especially developed for dogs with fatty coat and/or skin with high sebum production

Article number: DFSR200

Sensitive & Repair Conditioner 200ml

- Suitable for dogs suffering from flakes, itching, dry skin, dry coat, dry hair ends, or excessive hair loss
- Helps soften dry, flaky skin and brings it back in top condition
- Rich in vitamin B. Nourishes hair and skin.
- The pH-value is tailored to the pet's coat, so that the natural fat layer of the skin is preserved.
- Through the addition of valuable compounds, such as nourishing oils, vitamins and proteins, this Conditioner is a good choice for all coat lengths

Article number: DFSRC200

Vibrant Wash 200ml

- Intensifies all coat colors. Suitable also for multi-color coats.
- Provides an intensive warm, shiny and deep color
- Through the addition of nourishing oils this shampoo is great for all coat lengths
- The pH-value is tailored to the pet's coat and does not affect the natural fatty layer of the skin
- Combining this shampoo with Doggy Fresh Daily Conditioner, results in an easier to comb fur that is less sensitive to tangles

Article number: DFVS200

White Wash 200ml

- The addition of nourishing minerals and herbal extracts makes this shampoo especially suited for dogs with a white coat, independent of the length of their coat
- Contributes to a shiny white coat
- The pH-value is tailored to the pet's fur and does not affect the natural fatty layer of the skin
- By combining DoggyFresh White Wash with DoggyFresh Daily Conditioner, tangle-sensitive fur becomes easier to comb

Article number: DFWW200

Puppy Wash 200ml

- Suitable for puppies of all breeds
- The nourishing compounds from almond oil, coconut and special plant extracts give this PuppyWash shampoo softly caring characteristics
- Using this shampoo leads to a well-conditioned, soft and lovely smelling puppy coat

Article number: DFP200

Doggy Clean 200ml

Cleaning spray for pet beds. With fresh pine scent. DoggyClean is developed to clean dog beds and remove odors

Article number: DFCS200

the Doggy Care

By Pet-Joy Products

Natural products for the care and hygiene of pets

The DoggyCare is a range of natural products for the care and hygiene of dogs, cats and rabbits. We offer a full assortment to improve our pets' health with natural ingredients. Among others for eye, ear, skin and teeth health, The DoggyCare line brings unique and innovative new products.

The best for our pets

With DoggyCare, Pet-Joy takes one step further in the care for pets. The DoggyCare distinguishes itself through the use of micro-organisms, called probiotics, in the products in combination with 100% ecological ingredients. By using the beneficial probiotics, optimization of the biological balance can be achieved in animals, leading to reduced risk for bacterial infections or diseases. In addition, they do not mask unwanted odors, they eliminate them. The DoggyCare products are biodegradable.

Allergy Free 300ml

- Safe, preventative spray for allergy problems in pets and in humans
- The microbiological action of DoggyCare Allergy Free actively repels allergens
- Suitable for all organic allergens such as pollen, pet hairs, dust, dust mites, etc.
- For surfaces or directly on fur or skin
- Aroma of aloe vera

Article number: DCAF300

Odor Remover 300ml

- Unique solution to effectively eliminate the bad smells (eg urine) of dogs and cats
- No masking with a perfume
- Unwanted odors are directly broken down through microbiological activity of micro-organisms
- Contains probiotics and other natural ingredients
- Aroma of aloe vera

Article number: DCOR300

Dental Care 100ml

- Especially developed for pets that do not easily allow dental treatments
- Prevents the undesirable consequences of disturbed invisible microflora in the mouth of pets
- Stimulates a natural microflora of the teeth and gums
- The proactive beneficial micro-organisms allow for active deep microscopic cleaning
- Because of a delicious chicken flavor, dogs will experience the treatment as pleasant.

Article number: DCDC100

Ear Care 100ml

- Natural spray for maintenance of good ear health
- Probiotics allow a deep cleaning of the ears and eliminate organic molecules that evoke infections
- Improves ear hygiene
- Reduces the risk for ear infections by eliminating potentially infectious substances

Article number: DCEC100

Eye Care 100ml

- Ecological spray for quick cleaning of skin surrounding eyes and eye lids
- Probiotics allow deep cleaning and support a natural beneficial microbial balance
- Improves eye hygiene
- Reduces tear stripes in dogs

Article number: DCEYC100
